Caroline High School Dual Enrollment FAQ

Who can take a Dual Enrollment class?

All eligible students may request to take a dual enrollment class at CHS. Students must meet requirements set by both CHS and Germanna Community College, including VPT tests or alternate placements for English and Math (for instance, all Dual Enrollment students must qualify for English 111 on the English VPT.) See the chart below.

Where and when can I take the VPT?

Students who have requested Dual Enrollment classes for the 2016-2017 school year will have the opportunity to take the required VPT test(s) at CHS on April 6th, 7th, and 8th, 2016. Students will be notified with the day and time for their test(s). Before testing, students must complete a Germanna Community College application, which can be found at <https://apply.vccs.edu/oa/launch.action>. Students must have their Germanna student ID number on test day.

What if I can't take the VPT at CHS?

Students who cannot (or do not) take their VPT test(s) at CHS must arrange to take them at Germanna Community College's testing center. All testing done at Germanna must be documented and turned into the School Counseling office no later than 3 p.m. on May 27th, 2016, otherwise students will be moved to a suitable replacement class.

What if I don't pass the VPT?

Students are allowed to attempt both the English and Math VPT tests two times in a calendar year. If a student takes the test(s) at CHS and does not pass, he or she can make another attempt at Germanna Community College's testing center. However, if documentation is not provided to the School Counseling office by 3 p.m. on May 27th, 2016 showing a successful second attempt, the student will be moved to a suitable replacement class.

How do Dual Enrollment credits work? What about tuition?

Dual Enrollment students earn both high school and college credits. High school credits are weighted by a full GPA point. Students must earn a semester grade of C or better to earn college credit, as well as to advance to the second half of year-long classes. See the chart below for a breakdown of crediting policies.

Dual Enrollment classes at CHS cost \$50 per *Germanna* credit, or \$35 per *Germanna* credit for students with free or reduced lunch (rates are from 2015-2016 and are subject to change.) Tuition will be due at the beginning of each semester, at the end of the second week of classes. For year-long classes (English, History, Pre-Calculus, Calculus), students may submit half of their tuition in the fall and half in the spring.

Course Name	# of High School credits	# of Germanna Community College credits	Tuition	Tuition (free or reduced lunch)
