Scholarships for Local Students

The Community Foundation offers more than 60 scholarships to area seniors!

The foundation manages over 40 different scholarship funds established by generous individuals and families that want to assist our area young people by advancing education. Last year, we awarded over \$140,000 to local students. Students should visit our website <http://www.cfrrr.org/apply-for-grants-and-scholarships/scholarships> to access these opportunities and learn more about the individual scholarship funds, student eligibility and how to apply.

Starting November 14, 2018, seniors can apply for competitive scholarships using our online application portal: <https://cfrrrscholarships.communityforce.com>.

Once a student has set up an account, the system will provide a list of scholarships for which they are eligible in the Essay section, along with further qualifying questions. **Applications will be accepted until March 3, 2019 at 11:00 PM.**

All requests for transcripts and recommendations will be conducted through our online system. Many school e-mail systems have firewalls that block our system messages – please share this information to your school IT staff and add ali.thomas@cfrrr.org, admin@communityforce.com and scholarships@cfrrr.org to your allowed sender lists to stay informed!

New this year, The William and Susanna Botts Scholarship for Immigrants will be available to all of Planning District 16. The Botts believe supporting the educational dreams of immigrant youth will serve not only the immigrant community, but also the community at large. One scholarship of \$1,000 will be awarded to support a high achieving and/or highly motivated immigrant or refugee in our community.

Please contact me if you have any questions – I am available at 540 373-9292 or ali.thomas@cfrrr.org. We look forward to receiving applications from CHS seniors!

With best regards,
