## Caroline High School Dual Enrollment FAQ

### Who can take a Dual Enrollment class?

All eligible rising 11<sup>th</sup> and 12<sup>th</sup> graders may request to take a dual enrollment class at CHS. Students must meet requirements set by both CHS and Germanna Community College, including VPT tests or alternate placements for English and Math (for instance, all Dual Enrollment students must qualify for English 111 on the English VPT.) See the chart below. In certain cases, exceptional rising 10<sup>th</sup> graders may be considered for dual enrollment.

Course Name	Must be in grade...	Must have completed...	VPT English Placement	VPT Math Placement	Alternate Math Placement
College Composition (English)	12	English 11, 11-A or AP	English 111	MTE 1	Passed Algebra I SOL
United States History	11	n/a	English 111	MTE 1	Passed Algebra I SOL
Survey of the Humanities	11-12	n/a	English 111	MTE 1	Passed Algebra I SOL
Principles of Psychology	11-12	n/a	English 111	MTE 1	Passed Algebra I SOL
Engineering Fundamentals	11-12	n/a	English 111	MTE 1	Passed Algebra I SOL
Computer Aided Drafting and Design	11-12	Technical Drawing (B or better) or DE Engineering Drawing (C or better)	English 111	MTE 1	Passed Algebra I SOL

### Where and when can I take the VPT?

Students who request Dual Enrollment classes for the 2021-2022 school year will have the opportunity to take the required VPT test(s) at CHS in the spring of 2021. Students will be notified with the day and time for their test(s). Before testing, students must complete a Germanna Community College application, which they will have the opportunity to do at school prior to their test(s). Students must have their Germanna student ID number on test day.

### What if I can't take the VPT at CHS?

Students who cannot (or do not) take their VPT test(s) at CHS must arrange to take them at Germanna Community College's testing center. All testing done at Germanna must be documented and turned into the School Counseling office no later than 3 p.m. on May 7<sup>th</sup>, 2021, otherwise students will be moved to a suitable replacement class.

## What if I don't pass the VPT?

Students are allowed to attempt both the English and Math VPT tests two times in a calendar year. If a student takes the test(s) at CHS and does not pass, he or she can make another attempt at Germanna Community College's testing center. However, if documentation is not provided to the School Counseling office by 3 p.m. on May 7<sup>th</sup>, 2021 showing a successful second attempt, the student will be moved to a suitable replacement class.

## How do Dual Enrollment credits work? What about tuition?

Dual Enrollment students earn both high school and college credits. High school credits are weighted by a full GPA point. Students must earn a semester grade of C or better to earn college credit, as well as to advance to the second half of year-long classes. See the chart below for a breakdown of crediting policies.

Dual Enrollment classes at CHS cost \$64 per *Germanna* credit, or \$49 per *Germanna* credit for students with free or reduced lunch (rates are from 2020-2021 and are subject to change.) Tuition will be due at the beginning of each semester, at the end of the third week of classes. For year-long classes (English, History), students may submit the full years' tuition in the fall if they choose.

Course Name	# of High School credits	# of Germanna Community College credits	Tuition	Tuition (free or reduced lunch)
College Composition (English)	1.0	6	\$384	\$294
United States History	1.0	6	\$384	\$294
Survey of Humanities	0.5	3	\$192	\$147
Principles of Psychology	0.5	3	\$192	\$147
Engineering Fund.	1.0	3	\$192	\$147
Comp. Aided Drafting	1.0	3	\$192	\$147

Please note, eligible students are *required* to complete a Germanna registration form and return it to Mr. Schuyler no later than 3 p.m. on May 14<sup>th</sup>, 2021. They will be given this form upon successful completion of their VPT test(s).
